| 0 of 0 people found the following review helpful. | A genius look into the minds of men in the Dark Ages...
| By Donna S. | First, this book is in need of a proofreader...one must ignore the typos. Having said that, I loved it!!! If you have an interest in history, you will enjoy this. The author "becomes" each character, shining a light on the tensions and motivations of each. The dried remains of Bede's narration really spring to

Before England, Scotland and Wales formed, a disparate set of kingdoms stretched their way across the British Isles, expanding and compressing with the personalities and successes of their warrior Kings, more war-leaders, and more often than not, owing allegiance to one overlord, one over mighty King exacting tribute from whomever he could, punishing those who failed to tithe with bloody means. The year is 632 and the great Edwin of Northumbria, bretwalda over England, m
